

TPB CIRCULAR NO. 2020 - 013

FOR : **ALL DOT ACCREDITED TOURISM ESTABLISHMENTS**

DATE : 30 April 2020

SUBJECT : ***WAIVER OF PARTICIPATION FEES FOR THE PRIVATE SECTOR PARTNERS FOR THE SECOND SEMESTER OF 2020***

With the approval of the Tourism Secretary, we are pleased to inform our industry partners that the Tourism Promotions Board (TPB) is waiving the participation fees for all its upcoming international projects in the second semester of F.Y 2020.

We believe in the resiliency of the travel and tourism industry and we are one in looking for ways to cushion the impact in facing the new normal. We hope that this step will encourage our stakeholders in joining the Corporation in its participation in international trade, M.I.C.E. and consumer fairs and business missions and in the implementation of its institutional activities.

Attached for reference is the list of International Trade, M.I.C.E and Consumer Fairs and Business Missions that the TPB is implementing or participating in for 2020.

The TPB wishes to be of constant service during this pandemic and remains faithful to work even more actively with its stakeholders in our path to tourism recovery.

For our partners' information. Thank you.
