TECHNICAL SPECIFICATIONS

SUPPLY AND DELIVERY OF GIVEAWAYS AND COLLATERALS FOR THE PHILIPPINE MOTORCYCLE TOURISM (PMT) PROGRAM

As of 08 September 2023

I. BACKGROUND

The Philippine Motorcycle Tourism is a fast-growing niche market in the Philippines, whose numbers are increasing up to the present. Significant islands in our country are being explored by motorcycle – the unspoiled landscapes, beautiful and serene coasts, green forest wildlife, and natural splendors. This is a marginal practice with special habits where taking the road, riding styles, and camaraderie play essential roles. This motorcycle tourism is an excellent example of the unusual and marginal nature of this tourism.

Capitalizing on the tourism potential, the TPB Philippine Motorcycle Tourism Program collaborated and partnered with the Department of Tourism (DOT) and various motorcycle rider clubs and associations in the Philippines.

This sports tourism project shall be conducted by way of providing freebies to support the motorcycle clubs and associations on the following events of PMT:

- Annual PMT Anniversary Ceremonial Ride
- Annual PMT Anniversary Fellowship Night
- Annual Regional PMT Anniversary Rides
- Various Motorcycle Rider Clubs Riding Events

II. OBJECTIVES:

1. To help rebuild the confidence of the traveling public to travel domestically and eventually for the tourism industry to bounce back from the negative impact of the recent COVID-19 pandemic crisis.
2. To encourage more motorcycle sports enthusiasts to engage in a motorsport's tourism activity as a potential niche tourism product.
3. To tap motor riders as domestic tourism ambassadors who will help promote the Philippines as a country of fun and diverse experience.
4. To instill a culture of tourism and pride of place among the riders as well as advocate responsible and sustainable tourism.
5. To promote road safety travel among the participants and adapt the government's safety guidelines and protocols in the hospitality industry as a new normal.

III. SCOPE OF DELIVERABLES:

PARTICULARS	SPECIFICATION
