I. BACKGROUND

The Philippine government's latest effort to revive the tourism industry and bounce back from the economic setback of the pandemic, the Philippine Motorcycle Tourism (PMT) Program was a resounding success following numerous events requested and staged by various motorcycle rider associations for CY 2023 which generated impressive feedbacks and appreciation.

The Department of Tourism (DOT) and the Tourism Promotions Board (TPB) Philippines, in cooperation with various motorcycle rider associations and clubs spearheaded the innovative program to bring back the confidence of the public to travel within the country while exercising "new normal" guidelines and safety protocols on the road, on two wheels.

With the resumption of leisure travel across diverse local destinations, TPB and DOT are optimistic that the continuing programs of the PMT will help boost further domestic tourism and the local economy as riders take the wheel in promoting Philippine tourist spots in endview helping local businesses and tour operators.

Various Riders/Motorcycle Associations will be engaged to support one of the flagship programs of the Department of Tourism (DOT) through the Tourism Promotions Board (TPB) advocacy in promoting Philippine Motorcycle Tourism in the country.

In order to sustain the interest and passion of motorcycle tourism riders to engage in a fun drive while promoting domestic tourism, the TPB for CY 2024, will continue the Philippine Motorcycle Tourism (PMT) Riders/Motorcycle Associations.

In return, the requesting Riders/Motorcycle Associations expressed the prominent placement of the TPB and PMT logos on all their event marketing collaterals including banners, posters, jerseys and social media platforms, live acknowledgement of TPB's contribution during their programs, inclusion of TPB and PMT logos on event related communication materials and press releases, time allotment for TPB's representative to present the PMT Program and airing of TPB-PMT's official Philippine National Anthem video during their respective programs.

By supporting these riding events, TPB-PMT aims to promote a circuit of tourist destinations within the entire ride itineraries of each riding event.

The Tourism Promotions Board (TPB) Philippines needs the services of a Tour Operator for the PMT Assisted Events for CY 2024.
