REQUEST FOR QUOTATION

The **TOURISM PROMOTIONS BOARD** invites you to submit quotations for the item/s listed below:

RFQ No. TPB-RFQ 2024.12.372
PR No. 12.014

Requirements: **Renewal of QR Code Generator and Upgrade to Enterprise License**

Quantity	Item/Description	Estimated Unit Price	Total Cost (Php)
1 lot	<p>Overview</p> <ul style="list-style-type: none"> • Purpose: <ol style="list-style-type: none"> a. Renewal of the existing license and upgrade from Professional to Enterprise License b. The QR code generator is designed to create quick response (QR) codes for various data types like URLs, text, email addresses, contact information, etc. • Intended Users: TBP Business units, marketers, developers, and individuals requiring quick and easy generation of QR codes for diverse applications. <p>Functional Requirements</p> <ul style="list-style-type: none"> • Data Input: Ability to input different data types, including text, URLs, email, contact information, and SMS. • QR Code Versions and Size: Support multiple versions of QR codes, adjusting the size and complexity according to the amount of data. • Error Correction: Implement four error correction levels (Low, Medium, Quartile, and High) to improve readability even with damage to the code. 	Php650,000.00	Php650,000.00

- **Encoding:** Support encoding formats like Byte/Binary, Alphanumeric, and Numeric.
- **Customization:** Options for modifying the QR code's color, size, and border.
- **Logo Integration:** Capability to embed a central logo within the QR code.
- **Batch Generation:** Generate multiple QR codes simultaneously based on a list of inputs.

Technical Requirements

- **Platform Compatibility:** Should work on various platforms (web, desktop, mobile).
- **Programming Language:** Preferred programming languages (e.g., JavaScript for web, Python for backend processing).
- **Libraries and Frameworks:** Specify any required libraries or frameworks (e.g., QRCode.js for JavaScript).
- **API Integration:** Ability to integrate with external APIs for additional functionalities.

Performance Requirements

- **Speed:** QR code generation should be fast, aiming for real-time processing.
- **Scalability:** Must handle a high volume of requests without significant performance degradation.
- **Reliability:** High uptime, with robust error handling and logging capabilities.

Security Considerations

- **Data Privacy:** Ensure all data processed is secure and complies with relevant protection laws.
- **Access Control:** Implement user authentication and authorization for accessing the QR code generator.

User Interface

- **Ease of Use:** Intuitive interface for inputting data and customizing QR codes.
- **Preview Option:** Live preview of the QR code as changes are made.

	<ul style="list-style-type: none"> • Export Formats: Ability to export QR codes in various formats (PNG, JPG, SVG). <p>Documentation and Support</p> <ul style="list-style-type: none"> • User Guide: Comprehensive documentation on how to use the QR code generator. • Developer Documentation: Detailed API and integration guides for developers. • Support: Provide technical help for users encountering issues. 		
	<p>KEY FEATURES:</p> <p>Built-in Landing Pages</p> <ul style="list-style-type: none"> • Device Compatibility: Our QR Codes have integrated landing pages, ensuring optimal display across various devices. • Ease of Use: Create QR Codes effortlessly without needing a website. <p>QR Code Customization</p> <ul style="list-style-type: none"> • Colorful Designs: Move beyond traditional black and white QR Codes. Add your company logo and colors to make your QR Codes more attractive. • Simple Process: No design expertise required. Our intuitive platform guides you through every step. <p>QR Code Statistics</p> <ul style="list-style-type: none"> • Real-Time Insights: Gain valuable insights into your campaign's performance with real-time tracking of scans. • Data Reports: Export scan data into CSV format for easy sharing and analysis. <p>Flexibility and Quality</p> <ul style="list-style-type: none"> • Mistake-Proof: Add content to your QR Codes at any stage, even post-printing. • High Resolution: Ensure your QR Codes maintain quality in any print form, available in JPG, PNG, SVG, or EPS formats. <p>Organization and Collaboration</p>		

	<ul style="list-style-type: none"> • Easy Management: Organize your QR Codes with labels and folders for better performance tracking. • Team Collaboration: Securely add team members with individual login credentials for collaborative management. <p>Branding and Campaign Management</p> <ul style="list-style-type: none"> • Custom URLs: Personalize short URLs or use your domain for enhanced brand loyalty. • Campaign Tracking: Add detailed campaign information, including start dates, mediums, and print quantities, for comprehensive management. 		
	<p>Inclusions:</p> <ul style="list-style-type: none"> • 1000 dynamic QR codes and unlimited static QR codes • Unlimited custom logo QR codes • High-quality file formats including number of scans, time/date, location and device • Custom short URLs (e.g. qrco.de/YourQRCodeName) • Your own short URL (e.g. qr.yourcompany.com/Your-QRCodeName) • SSL certificate for your own short URL • Account sharing (with up to 10 other colleagues) 		
	<p>Support and Maintenance</p> <ul style="list-style-type: none"> • One (1) year of technical support and maintenance 		
	<p>BIDDER REQUIREMENTS:</p> <ul style="list-style-type: none"> - CT Company preferably System Integrator Company or Similar Description <ul style="list-style-type: none"> • Must have at least five (5) years as an ICT company preferably a System Integrator Company or Similar - Government Accreditation Description <ul style="list-style-type: none"> • Recognized as a Cybersecurity 		

	<p>=Assessment Provider for Vulnerability =Assessment/Penetration Testing =(VAPT) and Information Security Management System (ISMS) by the Department of Information and Communications Technology (DICT)</p> <p>Remark Must submit a valid and updated certification of VAPT and ISMS certification issued by DICT</p> <p>- Certification Description</p> <ul style="list-style-type: none"> • Possession of relevant industry certifications, particularly in blockchain technology and, software development or Database for data privacy purposes <p>Remark Must submit a certification:</p> <ol style="list-style-type: none"> 1. Omnibus Sworn Statement (Revised)
[shall be submitted with the Bid]

REPUBLIC OF THE PHILIPPINES)
 CITY/MUNICIPALITY OF _____) S.S.

AFFIDAVIT

I, [Name of Affiant], of legal age, [Civil Status], [Nationality], and residing at [Address of Affiant], after having been duly sworn in accordance with law, do hereby depose and state that:

1. *[Select one, delete the other:]*

[If a sole proprietorship:] I am the sole proprietor or authorized representative of [Name of Bidder] with office address at [address of Bidder];

[If a partnership, corporation, cooperative, or joint venture:] I am the duly authorized and designated representative of [Name of Bidder] with office address at [address of Bidder];

2. *[Select one, delete the other:]*

[If a sole proprietorship:] As the owner and sole proprietor, or authorized representative of [Name of Bidder], I have full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached duly notarized Special Power of Attorney;

[If a partnership, corporation, cooperative, or joint venture:] I am granted full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached [state title of attached document showing proof of authorization (e.g., duly notarized Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney, whichever is applicable)];

3. [Name of Bidder] is not "blacklisted" or barred from bidding by the Government of the Philippines or any of its agencies, offices, corporations, or Local Government Units, foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the Government Procurement Policy Board, **by itself or by relation, membership, association, affiliation, or controlling interest with another blacklisted person or entity as defined and provided for in the Uniform Guidelines on Blacklisting:**
4. Each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct;

5. [Name of Bidder] is authorizing the Head of the Procuring Entity or its duly authorized representative(s) to verify all the documents submitted;

6. *[Select one, delete the rest:]*

[If a sole proprietorship:] The owner or sole proprietor is not related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

[If a partnership or cooperative:] None of the officers and members of [Name of Bidder] is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

[If a corporation or joint venture:] None of the officers, directors, and controlling stockholders of [Name of Bidder] is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

7. [Name of Bidder] complies with existing labor laws and standards; and

8. [Name of Bidder] is aware of and has undertaken the responsibilities as a Bidder in compliance with the Philippine Bidding Documents, which includes:

- a. Carefully examining all of the Bidding Documents;
- b. Acknowledging all conditions, local or otherwise, affecting the implementation of the Contract;
- c. Making an estimate of the facilities available and needed for the contract to be bid, if any; and
- d. Inquiring or securing Supplemental/Bid Bulletin(s) issued for the [Name of the Project].

9. [Name of Bidder] did not give or pay directly or indirectly, any commission, amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement project or activity.

10. In case advance payment was made or given, failure to perform or deliver any of the obligations and undertakings in the contract shall be sufficient grounds to constitute criminal liability for Swindling (Estafa) or the commission of fraud with unfaithfulness or abuse of confidence through misappropriating or converting any payment received by a person or entity under an obligation involving the duty to deliver certain goods or services, to the prejudice of the public and the government of the Philippines pursuant to Article 315 of Act No. 3815 s. 1930, as amended, or the Revised Penal Code.

IN WITNESS WHEREOF, I have hereunto set my hand this __ day of __, 20__ at _____,
Philippines.
