

**TECHNICAL SPECIFICATIONS**  
**SERVICES OF A TOUR OPERATOR FOR THE PHILIPPINE MOTORCYCLE TOURISM (PMT)**  
**SUPPORT TO FEDERATIONS' NATIONAL EVENTS**  
**“28<sup>th</sup> NFMCP ANNUAL CONVENTION & PHILIPPINE VESPA DAYS 2025”**

---

**I. BACKGROUND**

Motorcycle touring is a fast-growing niche market in the Philippines whose numbers are increasing up to present. Major islands in our country are being explored by motorcycle – the unspoiled landscapes, beautiful and serene coasts, green forest wildlife and natural splendors. This is marginal practice with special habits where taking the road, riding styles and camaraderie play essential roles. This motorcycle tourism activity is an excellent example of this unusual and marginal nature.

Historically, motorcycle tourism in the Philippines has been male-dominated, with more men participating as riders and enthusiasts. They often form the majority in motorcycle clubs and events. Women's participation has been growing, but they still represent a smaller segment. Social and cultural expectations can deter some women from engaging in motorcycle tourism. While men still dominate the Philippine motorcycle tourism scene, women's involvement is growing, leading to a gradual shift in perceptions and participation. Addressing the challenges women faced and promoting inclusivity can enhance the overall experience and broaden the appeal of motorcycle tourism in the country.

Like any other tourism revenue - driven sports activity, motorcycle tourism is considered a profiler of the economy. With an average of two-night and three-day out-of-town motor riding activity, single riders accumulated an estimated expenditure ranging from at least Php10,000.00 to Php 20,000.00 attributed to food, fuel, accommodation, and souvenirs.

In order to sustain the interest and passion of motorcycle tourism riders to engage in a fun drive while promoting domestic tourism following the Philippine Motorcycle Tourism (PMT) successful launch last 20 November 2021, the TPB for CY 2025, will continue the PMT Campaign:

**1. 28<sup>th</sup> NFMCP Annual Convention**  
04-05 April 2025

With its initiative to cultivate a lasting commitment to motorcycle tourism and fostering domestic travel and economic growth within the Philippines, the TPB is partnering with the Thunderbugs Motorcycle Club as they host the 28th National Federation of Motorcycle Clubs in the Philippines in Bacolod on 04-05 April 2025.

**2. Philippine Vespa Days 2025**  
16-18 May 2025

The goal is to gather at least 500 Vespists with some foreign delegates to participate in the annual Vespa convention. This event will highlight Vespa Pilipinas milestone, oath taking of new club members, presentaBon of up-coming events and alignment to PMT Program objectives. There will be a ride on the second day within Clark and Northern Luzon. The kick-off ride will commence just aher the safety ground demo/drill by qualified training school/institution. In return, Vespa Pilpinas expressed the prominent placement of the TPB and PMT logos on all their event marketing collaterals including banners, posters, jerseys and social media platforms, live acknowledgement of TPB’s contribution during their programs, inclusion of TPB and PMT logos on event related communication materials and press releases, time allotment for TPB’s representative to present the PMT Program and airing of TPB-PMT’s official Philippine National Anthem video during their respective programs.

By supporting these riding events, TPB-PMT aims to promote a circuit of tourist destinations within the entire ride itineraries of each riding event.

The Tourism Promotions Board (TPB) Philippines needs the services of a Tour Operator for the above mentioned PMT Assisted Events.

## II. OBJECTIVES

This activity aims to:

- Promote Philippine Motorcycle Tourism while advocating road safety travel among the participants and adapt the government’s safety guidelines and protocols in the hospitality industry;
- Explore and promote the different tourist destinations in the country”;
- Contribute to increase in the sales of the tourism business industries in the city amidst pandemic; and
- Encourage more motorcycle sports enthusiasts to engage in a tourism activity as a potential niche tourist product.
